### REDISTRICTING RESOURCES

- <https://projects.fivethirtyeight.com/redistricting-maps/> Examples are provided of how voting districts can be drawn to favor partisan gerrymandering vs. districts drawn to favor other goals such as highly competitive districts. Change the “GO TO” drop down menu from “Nation” to “South Carolina” to see how highly competitive districts could be drawn in S.C. Compare the current S.C. voting district maps to maps that are gerrymandered vs. maps that emphasis other goals.
